## MISSION

As the premier credentialing organization for professions based on the science of protecting and enhancing the health, safety, and environment of people at work and in their communities, the American Board of Industrial Hygiene® serves its credentialed practitioners by establishing and administering a valid, reliable, and rigorous credentialing process to protect the public and meet the needs of employers.

## VISION

ABIH®-credentialed practitioners will be globally recognized as the epitome of professional competence and ethics in professions based on the science of protecting and enhancing the health, safety, and environment of people at work and in their communities.
